Property Description

With a sunset ocean view, a mountain view, and a jungle trail leading to a private waterfall, this two bedroom home on a dead end street in a gated community provides all of the best Costa Rica has to offer! You get the neighborhood feel while being on the outskirts with total privacy.This well-constructed custom home was built to the 2014 California Earthquake Code using block, rebar, and concrete. The home has a beautiful, cozy feel to it with custom-built hardwoods throughout the house and an open floor plan with lots of comfortable sitting room. The kitchen cabinets are local cedar as are the custom-designed doors.The outdoor area is perfect for entertaining or relaxing and taking in the wildlife, view, and beautiful landscaping. The large infinity pool is a custom design with a beautiful Coralina pool deck and lounging area.This house is all about nature! It is positioned to catch the breezes coming off of the ocean during the day.
