Property Description

Welcome to an extraordinary opportunity in the exclusive Mar Vista community of Playa Flamingo, where sweeping ocean and mountain vistas meet the lush beauty of Costa Rica's tropical dry forest. What makes this property truly special is that updated architectural plans for a main residence are already completed, streamlining the building process and saving valuable time. In the meantime, a fully constructed 2-bedroom, 1-bathroom casita provides immediate living space or a guest/home office option while your dream home takes shape. Set on an expansive 5,937-square-meter (63,905-square-foot) lot, this property offers unmatched privacy, breathtaking views, and ample space to create your ideal estate. Significant site work has already been completed—including permitting and installation of water and electricity lines—making this an incredibly convenient and ready-to-build opportunity. Mar Vista is just a seven-minute drive from seven pristine beaches and offers a wealth of community amenities.
