Property Description

Welcome to The Tides—a breathtaking coastal sanctuary where stone, water, wood, and tropical landscape come together to create a profoundly grounding and serene living experience. From the moment you arrive, the soothing sound of flowing water, lush gardens, and seamless indoor-outdoor design set the stage for true Costa Rican luxury. The Tides is also a premier income-producing property, secured with a 12-month lease beginning March 2025 at \$17,000 per month, with the option to extend for a second year—an exceptional advantage for investors. Behind a private white-stone entry wall, a beautifully landscaped courtyard welcomes you with the calming echo of water features. These tranquil sounds carry throughout the home as 30-foot bi-folding doors open on both sides of the grand living space, inviting in natural light and fresh ocean breezes. At the heart of the residence lies a stunning open-concept living and dining area, highlighted by teak-inlaid ceilings, warm ambient lighting, and panoramic views of the shimmering pool and tropical gardens.
