Property Description

Welcome to this stunning 2-bedroom house in Bahia Uvita, Costa Rica, where every detail is designed for comfort and harmony with nature. Surrounded by lush, mature tropical plants, this property offers a truly immersive jungle experience, complemented by panoramic mountain views and gentle ocean breezes. The house features an accessible entry with a ramp leading to the front door, making it ideal for all mobility levels with no stairs. Additionally, there is great potential to expand the home, as space beneath the house can be used to add an extra room or a gym to maximize the property's use. Start your mornings on the covered deck with a cup of coffee, listening to the relaxing sounds of distant howler monkeys, ocean waves, and tropical bird calls. A family of toucans often visits just outside the bedroom window, while beautiful Scarlet Macaws fly overhead daily, often stopping by the almond trees.
