Property Description

Seize the opportunity to own a thriving bed and breakfast nestled in the lush tropical rainforest, just 500 meters from the stunning Caribbean Sea in Puerto Viejo de Talamanca. This turnkey property combines serene natural surroundings with proven income generation, making it an ideal investment for those seeking a lifestyle business in paradise. Guests and owners alike can enjoy a refreshing swimming pool with a cascading waterfall, set amid the vibrant sounds of the jungle. The property features five spacious guest suites, each harmoniously integrated into the landscape and equipped with air conditioning, ceiling fans, and a safe for added convenience: **Jungle Suite:** A loft-style accommodation with a fully equipped kitchen and an expansive terrace overlooking the pool and waterfall, blending comfort with the beauty of the surrounding environment. **Jungle Room:** Classic Caribbean-style cabins with a European touch, including large private terraces perfect for morning coffee by the pool.
