Property Description

Why We Love This Property Designed by award-winning architect Richard Hammond, this home is a stunning blend of efficiency, luxury, and modern design. Every detail was carefully crafted to create a space that feels both sophisticated and connected to nature. Perched on a 1,383 m² (14,886 ft²) homesite, the property offers breathtaking views over lush treetops and a serene jungle valley, providing peace, privacy, and a daily connection to natural beauty. The open-concept living area includes a spacious kitchen, living, and dining space with seamless flow, complemented by a covered terrace ideal for outdoor lounging or entertaining. Large windows bring in bright, airy ambiance and showcase the forest views. The lower level features a stylish outdoor kitchen and a unique circular infinity pool, immersing residents in the tropical surroundings while maintaining comfort and elegance. The vertically louvered exterior adds a striking modern aesthetic and can be adjusted to control light, airflow, and temperature, creating the perfect indoor-outdoor balance year-round.
