Property Description

Nestled in one of the most desirable areas along Costa Rica's Gold Coast, Casa Bamboo is a modern three-bedroom, two-bath single-family home offers effortless access to many of the region's most beautiful beaches. Ideally situated between Playa Tamarindo/Playa Langosta and Playa Avellanas to the south, with Playa Grande and several secluded beaches just a short drive away, the location places you at the center of everything this coastline has to offer. Built in 2023, the home features a bright, contemporary design with high ceilings and beautiful natural light. Thoughtfully placed skylights illuminate the interior and highlight a small indoor garden that brings the outdoors in. Custom solid teak furniture and carefully crafted cabinetry add a warmth, but modern feel throughout. The home includes three comfortable bedrooms and two full bathrooms, a fully equipped kitchen and spacious covered patio which sits beside a refreshing saltwater pool.
