Property Description

This extraordinary, fully-furnished home, is the newest most luxurious estate located in Los Sueños Resort & Marina on the central Pacific coast of Costa Rica. Situated within Eco Golf Estates, Casa Magnifica is a sprawling 7000 square foot retreat, custom-designed with only the most discerning taste in mind. A forested oasis overlooking large 100-year-old trees, as well as La Iguana golf course greens, this beautiful Costa Rica mansion is perfectly nestled away within the forest; dragonflies, butterflies, monkeys, sloths, and toucans, its most intimate neighbors. Though secluded and private, this home is conveniently close to the abundance of amenities offered by Los Sueños Resort, all just minutes away by golf cart. The Marina Village is a terrific little hub of fine dining, casual eats, interesting shops, and more. Casa Magnifica residents and visitors will appreciate the convenience of the salon and day spa, Scotia Bank, Jimmy T's gourmet grocery, and the Village Wine and Liquor.
