Property Description

Gran Mirador #3 offers a rare combination of privacy, comfort, and panoramic coastal views in one of Tamarindo's quietest residential areas. Located in a boutique five-story building with only one residence per floor, this exclusive unit is one of just five in total, providing a level of space and seclusion that is increasingly hard to find. A private elevator opens directly into the condo, ensuring complete privacy from the moment you arrive. The residence features two bedrooms and two bathrooms and is sold fully furnished, including a central air-conditioning system. The open-concept kitchen and living area flow naturally to a spacious covered terrace that runs the length of the unit, connecting both the living room and primary bedroom to the outdoors. From the terrace, enjoy permanently protected views of the Pacific Ocean, Tamarindo Bay, Langosta, Playa Grande, and the surrounding mountains—perfect for taking in unforgettable sunsets.
