Property Description

This property is located in Playa Blanca, an amazing small community in the Gulf of Nicoya with a white sand beach and calm blue waters. This plot of land has access to internet, water and power. It has land uses for either building your dream home or creating a development. The terrain, it consists of some nice gentle hills not so vertical, creating natural terraces or building sites along the property, with an amazing ocean view and only 4 minutes away walking from the beach this property has a lot to offer. There is a small creek that goes along the property only active during the rainy season, there are several beautiful trees in the plot of land as well. Really private and safe area you will be waking up every morning to amazing ocean views, birds chirping and monkeys howling, this is truly paradise. Besides Playa Blanca there are several amazing beaches at striking distance waiting to be explored! This plot of land is 8 minutes away from the Playa Naranjo Ferry, you can also drive to Jicaral (20 minutes away) or to Paquera (20 minutes away) where you can find all the possible services you can need, super markets, banks, atms, hospitals, restaurants among others.
