Property Description

Discover an extraordinary property adjacent to a preserved forest, with a pure water stream running along its entire length. Located in the central region of Atenas, National Geographic's acclaimed "best climate in the world," it offers unparalleled tranquility while remaining only 10 minutes from downtown Atenas, 35 minutes from Juan Santamaría International Airport, 50 minutes from San José, and 50 minutes from the Pacific coast beaches. This property includes a main house built with soil and bamboo, a guest house, extensive terraces, a workshop, and additional habitable structures. The property attracts wildlife, including hummingbirds, toucans, motmots, butterflies, and even white-faced monkeys. Property Features • Solar water heating system • High-speed WiFi with four routers covering all areas • Multiple functional structures for living, working, and storage Location Highlights • 10 minutes to downtown Atenas • 40 minutes to Juan Santamaría International Airport • 55 minutes to Pacific coast beaches • Close to local shops, restaurants, and essential services This property is a rare option in the heart of Costa Rica.
