Property Description

Now Offered at \$1,695,000 | Seller Financing Available**Set high above Nosara in one of the area's most protected and low-density mountain communities, Cloud Nine is a private 4-bedroom ocean-view sanctuary designed for serene full-time living, cooler temperatures, and deep connection to nature, all just minutes from town and the beaches below. Located within a 280-acre gated community where over 60% of the land is permanently protected as conservation reserve, residents enjoy access to private waterfalls, lush hiking trails, and preserved jungle landscapes, offering a level of peace, privacy, and natural beauty that is becoming increasingly rare in Nosara. Its elevated position provides expansive Pacific views, refreshing year-round breezes, and temperatures that are typically 5-10 degrees cooler than in town, creating an ideal microclimate for comfortable living. The home is thoughtfully designed for family living and hosting, featuring: * 4 bedrooms total * Two spacious primary suites * Two additional apartment-style bedrooms ideal for guests or extended family * Soaring ceilings and open-concept living spaces * Large sliding glass doors that open fully to a covered outdoor terrace * Infinity-edge pool overlooking the Pacific Ocean – perfect for sunset evenings Cloud Nine offers a rare blend of privacy, protected surroundings, and proximity – only 5-10 minutes to Nosara town and 15+ minutes to Playa Pelada and Playa Guiones.
