Property Description

Introducing Los Jobs Gardens, a new community located just a few minutes from downtown Tamarindo. This is a brand new home featuring 4 bedrooms, 4.5 baths, over 3600 sq ft of concrete block construction, and a lot size of 817m2. No detail was left behind in the design process of the tropical modern home. When entering the home you are greeted with an open concept living space encompassing the kitchen and living room. The full back of the home features accordion style sliding glass doors, resulting in a harmonious indoor/outdoor lifestyle. This setup results in an abundance of natural light and views into the Guanacaste jungle. The main living space also features a half bathroom, laundry room, and an oversized storage closet.
